

KAB 554B

The KAB 554B air suspension seat is best suited for heavy trucks such as Kenworth and Mack trucks.

The 554B includes an integrated 3-point seatbelt, manual air lumbar support system and back recline.

It comes standard with a manual weight adjustment valve, with 60mm seat height and tilt adjustment. All adjustable functions allow the 554B to be customised to suit each user.
